

Congratulations LifeWorks by Morneau Shepell Australia!

1st May 2020

LifeWorks by Morneau Shepell Australia is honoured to have won 2020 Company of the Year by HR Tech Outlook!

We would like to take the opportunity to thank HR Tech Outlook for the award and the opportunity to highlight our hard work. We are so proud to be amongst other top contenders in the annual listing of 10 companies that are at the forefront of providing Employee Engagement solutions and impacting businesses. The LifeWorks platform brings together digital capability and expertise along with experienced clinical resources, research and delivery capabilities.

We look forward to providing exceptional well-being products and services to our clients as we continue striving to be the beacon in our industry.
